### What you need to do

- ★ Pls supply vectorial picture, such as coreldraw, adobe illustrator, photoshop, PDF; or the standard size picture with the resolution 100 to 300.
- ★ To avoid the lack of font, pls make the art with text rasterization.
- ★ The color mode of the picture shoule be CMYK.
- ★ The printed graphic can be washed by common way, but pls don't wash by organic solvent.
